

Yard Sign Simplex

Finished Size: **24”W x 18”H**

BLEED (24.25” W X 18.25”H): Your file must include a **0.125” bleed** for production. Bleed extends artwork beyond the edge of the sheet after trimming. Without bleed, there may be gaps between the printed area and the cut line due to cutting tolerance.

TRIM AREA (FINISHED SIZE 24” W X 18”H): This is where your artwork will be trimmed.

SAFE MARGIN AREA (23.75” W X 17.75”H): – Your file must include a **0.125” safe margin**. This is the area around the edge of the sheet. Without a safe margin, content near the edge may be cut off due to machine shift during trimming.
